

2017 8500 Custom Walk-around

moda
Custom Boats

Not often does a unique vessel like this become available in pristine condition ready for XMAS!

Custom built in Winter 2017 for a lucky customer who has just upgraded to a 40ft Cat and no longer requires this trailer able fishing weapon. No expense spared on this one with our option list fully ticked. Set up for nearly all types of fishing and family day boating- a true multipurpose vessel.

Fully optioned up this vessel boasts a large v berth and spacious cabin, Electric toilet, fresh water shower, 2 x built in 200L fridge/ freezers, large ice box, custom workstation, deluxe paint and trim, Faux teak Seadek, Taco grand slam out rigger bases with quality precision Carbon outriggers, rocket launchers, Under floor storage, large live well, 2 x underfloor flooding kill tanks, 750L Fuel, 165L water, Full 1 piece glass windscreen with side sliders, storm covers, windscreen travel, 2 x Garmin 7412, Auto pilot, 18" radar, SS175ML transducer, GT51, Fusion MS-650, Seastar Optimus 360 Joystick, powered by twin Suzuki DF300apx (99hrs with remaining warranty) and towed to the water on a custom Moda Aluminium trailer.

Basic specs – 8.5m hull length x 2.9m beam, 3.6m high, 10.2m length on trailer, 3.6t Approx. dry weight.

*** FULLY FOAM FILLED HULL ***

Due to the popularity of our larger vessels and available build slots this beautiful vessel will create plenty of interest & won't last long on the market. A newly built vessel would see a Mid 2019 delivery time - this vessel is ready to fish! Serious buyers are welcome to book an inspection.

\$255,900.00 Replacement cost new \$294,850.00
