

# JOB VACANCY

## moda

Aluminium boats

One of Australia's leading high-end boatbuilding companies Moda, is continuing to expand its product development programme and to grow its distribution network around the nation and abroad. Founded in 2008, the Moda brand has seen progressive growth due to continual improvement and investment.

Due to this expansion Moda Aluminium boats is currently looking to increase its workforce. We require experienced and motivated personnel who can demonstrate quality workmanship required for our high-end product.

### About the Role

We are looking for qualified trades people to ensure we meet the demands of our expanding business. Key duties & responsibilities of the position will include:

- Experience in Aluminium Boat building
- Able to interpret technical drawings
- Able to take direction
- Willing to comply with Company policies
- Ability to work unsupervised
- Ability to work in a team environment
- Punctuality and reliability essential

### Desirable criteria (not essential)

- qualified Shipwright or Cert. 3
- Forklift licence
- First Aid
- Current drivers' licence
- Welding qualifications

Located in Redcliffe on the northside of Brisbane. Pay rates based on skill level.

Email resume to [admin@modamarine.com.au](mailto:admin@modamarine.com.au) & follow up with a phone call to our office (07) 3283 8537.
